SOD 70-1193

10 SEP 1970

MEMORANDUM FOR: Director, National Photographic
Interpretation Center

THROUGH : DDP/SCO

SUBJECT : Appreciation for Outstanding Model

REFERENCES : A. DDP Requirement No. 3-70
B. IAS Project No. 050465

1. During the month of August 1970 the personnel of
your "model shop", [redacted] Chief, and Messrs.

[redacted]
were exceptionally helpful and responsive in the produc-
tion, on a priority basis, of a scale model described in
reference B. The model was produced on schedule, and, in
compliance with our request, reflected accurately only
those details visible on photography. The finished prod-
uct exactly met our requirement.

2. This outstanding performance, in our opinion, re-
flects credit on the Central Intelligence Agency.

3. Special Operations Division wishes to express its
appreciation for the truly professional support rendered
to SOD by NPIC, the subject model being the latest in a
long line of examples.
